This thoughtfully designed home features a designer kitchen with a freestanding gas Frigidaire range, wood cabinetry, large quartz island, tile backsplash, under-cabinet lighting, and a custom lighting package with elegant gold accents. A private first-floor office with 8-foot French doors, 2.5 baths with a pocket door at the powder room, and hard-surface flooring throughout--including the stairs--offer both style and everyday functionality. All bedrooms are located upstairs, while crown molding throughout, high-level tile in all bathrooms, and wood-ventilated closet shelving elevate the interior finishes. The exterior showcases an elevated front porch, fiber-cement siding, black gutters, and cedar shake accents for timeless curb appeal.
