HOME DESCRIPTION

Introducing the Emerson by Robuck Homes, East & Mason's most sought-after floor plan and the former community Sales Model, now available for purchase. Thoughtfully designed and extensively upgraded, this showcase home offers over 3,800 square feet of luxury living with 5 bedrooms, 4 baths, a finished bonus room, and exceptional indoor and outdoor spaces.

From the moment you arrive, the striking coastal architecture, board and batten detailing, and inviting front porch create unforgettable curb appeal. Inside, wide-plank hardwood flooring, extensive Craftsman trim, custom built-ins, crown molding, and designer lighting elevate every space. The open concept main living area centers around a stunning fireplace with custom built-ins and flows seamlessly into the gourmet kitchen featuring premium Frigidaire Professional appliances, quartz countertops, a farmhouse sink, custom-painted cabinetry, under-cabinet lighting, and an oversized island perfect for gathering.

The first-floor primary suite serves as a private retreat, complete with a tray ceiling, spa-inspired bath featuring Calacatta Gold quartz, designer tile selections, a freestanding soaking tub, oversized shower, and a spacious custom closet. A private guest suite on the main level provides comfort and flexibility for visitors or multigenerational living.

Upstairs, you'll find additional guest bedrooms, spacious secondary baths, a loft area, and a finished bonus room ideal for a media room, home gym, or flex space. Outdoor living is equally impressive with a screened porch and extended patio. As the former model home, every detail was carefully curated to showcase the best
