HOME DESCRIPTION

The Hampton Craftsman by Robuck Homes is an award-winning plan that offers modern open concept living with timeless Craftsman styling. It's easy to imagine entertaining family and friends indoors and out on just over a half acre homesite. The screened-in covered porch out back is perfect for gatherings or when you need a little solitude. As you enter the wide front entryway, you're greeted with 9 ft. ceilings topped with classic crown molding. Venture into the open living room, kitchen and dining area, and you'll quickly understand why this plan is loved by so many. Tall windows across the back allowing lots of natural light and a great view of the backyard. The gourmet kitchen features a 36" gas cooktop and range hood, wall microwave and oven, soft-close cabinets, quartz countertops, and the huge island that overlooks the spacious family room. It's the perfect spot for family and guests to gather. Easily work from home in the adorable pocket office off the kitchen. This home features a bedroom and private bathroom on the 1st floor, which is perfect for overnight guests. The 9 ft. ceilings continue upstairs making every room feel even more spacious. The primary suite includes a roomy bedroom and a gorgeous, super-sized bathroom with a tile shower and walk-in closet. Two additional bedrooms, another bathroom, laundry room and a loft complete the upstairs. This home features a 2-car front load garage with a side service door and utility sink.
