HOME DESCRIPTION

The Biltmore at The View combines spacious design, flexible living and peaceful surroundings in one beautifully designed new construction home. Enjoy wooded views from the screened porch, quiet mornings on the front porch and an open-concept layout designed for both everyday living and entertaining.

The main level features a dramatic two-story foyer, formal dining room with the option to convert into a private study, expansive great room, sunroom and a thoughtfully designed kitchen with a large island, abundant cabinetry and breakfast area. The first-floor owner's suite offers a private retreat with a sitting area, spacious walk-in closet and tile shower with bench.

Upstairs, you'll find additional bedrooms, a versatile loft space and a private room over the garage that can fit a variety of needs, from media space to hobbies, work or guest accommodations. Optional features and selections allows you to personalize the home to fit your lifestyle.

Contact onsite agent for current availability, included features, options, pricing and builder incentives.
